

### Sprint 1 Meeting Notes

- Profile needs to be fleshed out
- Create account needs an updated UI, current one is just for testing
- Login needs an updated UI and needs to redirect to page, but that's for sprint 2
- Profile needs to be editable, but that's for the next sprint
- Keep scrum sheet logs updated

### Sprint 2 Meeting Notes

- Bug with recommended books needs to be fixed
- Sharable link isn't up to par to what was specified or expected
- Editing for profile is almost complete, just need to edit profile picture and genres
- Coding styles are making code a little jumbled, however, not too big of a problem
- UI better from what was presented last sprint

### Sprint 3 Meeting Notes

- Update scrum sheet
- Demo'd last sprints
- Polish remaining tasks
- Didn't get to shareable link task (optional)
- Turn in everything we have
